Monthly data processing capacity	20 TB

These entitlements activate on January 1, 2027 and expire at the end of December 31, 2027 unless renewed or modified by a signed writing.

OF-5 Support selection and negotiated response commitment

Redwood Systems receives the Premium Support tier for the subscription term. Priority 1 incidents receive 24-hour coverage, seven days per week, and an initial response within 30 minutes. Priority 2 incidents receive an initial response within two business hours.

Web and telephone support channels and the Priority 1 duty-manager escalation process are provided as described in the Premium Support Schedule. Service-credit eligibility remains governed by that schedule.

OF-6 Guided onboarding

Acme Cloud will provide the guided enterprise onboarding services described in Statement of Work SOW-REDWOOD-2027-001. The onboarding fee is USD 12,000 and becomes invoiceable when the kickoff meeting is recorded as completed.

OF-7 Incorporated documents and precedence

This Order Form incorporates the Master Services Agreement MSA-2026-01, Product Schedule PS-ENTERPRISE-2026-10, Premium Support Schedule SS-PREMIUM-2026-10, and Statement of Work SOW-REDWOOD-2027-001.

If a specific term of this Order Form conflicts with a corresponding standard term in an incorporated schedule, this Order Form controls for Redwood Systems, the quantities stated here, and this subscription term. The remainder of each incorporated document continues to apply.
